Re: **U.S. Patent No. Re. 36,978**
Issued: December 5, 2000
Inventors: Jerry Moscovitch
Title: DUAL DISPLAY SYSTEM

Dear Sir:

The accompanying certificate of correction is being submitted to correct a clerical error in the previously requested Certificate of Correction filed for the above-referenced reissue patent shortly after its issue.

In the previously requested Certificate of Correction, language at the beginning of subparagraph b) of claim 17 (Column 12, line 8), was mistakenly removed. During proofreading of the issued Re. 36,978 patent, the language added by the Examiner in the Notice of Allowability mailed 3/20/00 was overlooked by staff personnel performing proofreading of the RE 36,978 patent. The mistake now being corrected was thus made in good faith.

Enclosed is a Patent and Trademark Office Certificate of Correction and Form PTO/SB/44, which we request be approved for the above-identified Patent. The Commissioner is authorized to charge the fee of \$100 for submission of this Certificate of Correction to Deposit Account No. 08-0750.

If there are any questions, the undersigned should be contacted at the number below.

Respectfully submitted,

Mark D. Elchuk
